

Report Made

More than \$200 was realized from the flower sale conducted last weekend for the National Brotherhood of Service, a non-profit, non-sectarian corporation, according to Mrs. Elsie Smith, local chairman.

During World War II transports of the U. S. Air Force flew more than 4,000 supply missions to Tito's forces in Yugoslavia.

Smith announced the flowers were made by a blind or shut-in worker to provide free braille books, wheel chairs, guide dogs and such needed aids, she explained.

Tenants Open Court Fight Over Eviction

Forcibly evicted from a rented four-room house at 18321 South Western avenue, Torrance, Orvin Jordan, 25, Navy veteran and his wife Eleanor, 21, started suit in superior court this week for \$7500 damages.

Jordan told Superior Judge Thomas J. Cunningham that just May 19 while he was working, Alfred H. Dahm and his wife Dorothy entered the house without permission and evicted Mrs. Jordan and their son Bobby, 2, moving their furniture onto the front lawn.

Denying they were arrogant or brutal, Mr. and Mrs. Dahm through their attorney admitted taking possession of the house but called the Jordans trespassers. The Dahms failed recently in Gardena Justice Court to evict the Jordans legally.

Any boy who spends a summer as a member of the group as a member of the grounds crew at the Y.M.C.A. summer camp at Estes Park, will never be able to say he doesn't know how to fix things around the house, according to a letter received by Elmer Moon, city sports supervisor, from his son, Bill, who will return after Labor Day.
"The country is unbeatable," Bill writes, "the climate is invigorating, the food tops, the scenery terrific, the fellowship tops too. No kidding, I haven't felt so good in a long time." Bill is referring to "summer climate," of course!

Make these 4 comparisons before you buy any car

COMPARE THE VALUE
Yes, compare the features—compare the prices—compare what you get for what you pay—and you, too, will come to the conclusion that Chevrolet is first in value. It alone gives Big-Car feature after Big-Car feature for Big-Car motoring results—and gives them at prices which are lower than those of any other car in the field!

COMPARE THE POPULARITY
You can identify the biggest value in any list of products by picking out the one product which enjoys greatest popularity, year after year; and, of course, in the field of motor cars, that one product is Chevrolet! More people are buying Chevrolets, and more people are driving Chevrolets than any other make of car, this year as for the total 17-year period, 1931 to date!

COMPARE THE FEATURES
Only Chevrolet combines the Unitized Knee-Action Ride for gliding smoothness . . . the world's champion Valve-in-Head engine for performance and economy . . . Body by Fisher for tasteful beauty and luxury . . . and Fisher Unitized Construction plus Unitized Knee-Action plus Positive-Action Hydraulic Brakes for all-round safety protection!

COMPARE THE PRICES
You'll agree with millions of other car buyers that prices—like quality—are a major consideration in these times; and just as Chevrolet's Big-Car quality is unique in its price range, so Chevrolet's prices are the lowest in its field. Moreover, Chevrolet also saves you substantial sums on gas, oil and upkeep—just to help your budget all the more!

Only Chevrolet gives BIG-CAR QUALITY AT LOWEST PRICES . . . that's why
